AMIS is the French word for "friends" and symbolizes our mission to promote cultural understanding through friendship and hospitality with international students and scholars in the Greater Atlanta area. We've been holding this event every year for the last 42 years. This FREE event is open to ALL international students and scholars AND the metro Atlanta community. You will enjoy the amazing music of the Morehouse Glee Club followed by a catered reception while meeting Americans and other international students while learning about AMIS opportunities.

**Sponsored by AMIS (Atlanta Ministry with International Students),
Georgia District Kiwanis Clubs, and Georgia colleges and universities.**
